**ORDER :-**

In the reference read above, the Commissioner and Special Officer, Greater Hyderabad Municipal Corporation, Hyderabad has stated that the Hon'ble M.L.A. Kukatpally has made a representation stating that the vehicular traffic between KPHB and Miyapur Junction had increased by leaps and bounds resulting traffic jams at several junctions and causing nightmare to the vehicle operators and pedestrians. To over come this problem, the Hon'ble MLA has suggested an alternate road underneath the H.T. line starting at Dr. Reddy's research foundation junction between Miyapur - Bollaram Road and ending at Shamshiguda on Usha mullapudi Cardiac Center road and to widen the existing parallel road linking K.P.H.B and Moosapet via Khaitlapur to reduce the traffic congestion between KPHB and Moosapet. A survey was taken up on the said proposals and the proposals are feasible to reduce the traffic congestion on N.H.9 i.e., Kukatpally main road. He has also stated that it was instructed the Town Planning Wing, GHMC to prepare road development plan for the road proposals for the work of "Road from Malaysian Township Junction to Moosapet connecting to Anjanaya Nagar" for Rs.2992.80 lakhs.
